

# Soul Care Retreats

A MINISTRY OF LEADERSHIP TRANSFORMATIONS, INC.

## *advent soul care retreat - for women leaders*

Women in Christian ministry leadership are invited to attend our Soul Care Retreat hosted by Diana Bennett and Roberta Messina.

Spacious blocks of time will be provided for quiet prayer and personal reflection. In addition, LTI staff will facilitate group sessions, worship, and will be available for one-on-one soul care conversations. All this on the beautiful coast of Hingham with its secluded areas for reflection, beach and Worlds End Conservation nearby for walking.

The retreat is \$195 per person, including overnight accommodations (single occupancy), 4 meals, and all retreat sessions. We also encourage each attendee to prayerfully consider an additional amount to be designated as a tax-deductible contribution to Leadership Transformations, Inc. You may include your contribution in the total payment amount; receipts will be sent for all donations. Directions and retreat details will be sent upon registration.
