

# Spiritual Leadership Communities

A MINISTRY OF LEADERSHIP TRANSFORMATIONS, INC.

## overview

LTi's vision is to see Christian leaders and teams transformed by a lifestyle of spiritual formation and discernment, resulting in depth of spiritual insight and vitality in God's service. Our mission is to encourage the spiritual formation of leaders and equip leadership teams to discern God's unique will for their life and ministry.

Spiritual Leadership Communities (SLC) are small groups designed to provide ongoing encouragement and discernment for leaders of ministries who come together for worship, sharing, prayer, and personal reflection. By coming alongside one another's spiritual journeys for one full year, it is our hope that these leaders will develop a lifestyle of spiritual formation which will impact their personal walk with Christ and infiltrate their daily ministry context.

Prerequisite is attendance at a Soul Care Retreat; space is limited to 7 men and 7 women per community, including Diana Bennett (Coordinator of SLC) and Steve Macchia (Founder and President of Leadership Transformations).
