

Spiritual Leadership Communities

A MINISTRY OF LEADERSHIP TRANSFORMATIONS, INC.

overview

LTi's Spiritual Leadership Communities are unique groups of leaders who desire ever deepening attentiveness to the presence and movement of God within their lives and among one another. Each community gathers together for four topical retreats over a period of nine months, which include times of prayerful community, shared spiritual journeys, and exposure to practical resources and training. Each retreat is designed to provide a spiritually enriching environment for ongoing encouragement and growth, whereby spiritual formation and discernment are significantly enlarged in the hearts of leaders. It is our hope that by coming alongside and engaging with one another in unhurried, reflective/contemplative retreat settings we will develop a lifestyle of spiritual formation that will impact our personal walk of intimacy with Christ and ultimately infiltrate our daily ministry context.

Specific topics and dates available online at www.LeadershipTransformations.org. For more information, please contact Diana Bennett at diana@leadershiptransformations.org.
