

# LEADERSHIP TRANSFORMATIONS INC.

FORMATION | DISCERNMENT | RENEWAL

Christian leaders often feel overwhelmed trying to keep up with the high demands of life, leadership, and relationships. Unfortunately, it's difficult to find relevant, spiritual, and practical training to help them grow and thrive in their faith and leadership. That's why, for the past 19 years, Leadership Transformations, Inc. (LTI) has trained thousands of leaders and learners from all walks of life with ancient spiritual practices that help them slow down, listen, and discern the voice of God. As a result, they live lives of formation, discernment, and renewal.

From its inception in 2003, LTI has been an important part of the national spiritual formation community, serving, teaching, coaching, and guiding leaders into a deeper more intimate walk with Christ. We believe when leaders have the right resources to help them experience a deep and refreshing connection to God, they are positioned to become Spirit-empowered leaders who are transforming their communities and advancing the kingdom of God.

## OUR VISION

LTI's vision is for local churches and Christian organizations to be filled with leaders and learners who place spiritual formation, discernment, and renewal above all other leadership priorities.

## OUR MISSION

LTI's mission is to cultivate vibrant spirituality and attentive discernment among Christian leaders and teams. To accomplish this mission, the staff, volunteers, and board members, together with strategic partners, create formal and informal opportunities for leaders and teams to:

- Embrace a lifestyle of Sabbath rest and renewal
- Experience spiritual reflection, biblical truth, and attentive discernment
- Acknowledge the Holy Spirit's constant presence and work in their lives
- Attend to new insights with open-handed receptivity and initiative
- Sense a renewed invitation to discover God's call on their lives and ministries
